

The SIBLEY SCHOOL OF MECHANICAL AND AEROSPACE ENGINEERING AT CORNELL UNIVERSITY, Ithaca, New York invites applications for a tenure-track faculty position in dynamics, systems and controls. Applicants must hold a doctorate in an appropriate field, must have demonstrated an ability to conduct outstanding research, and show promise for excellent teaching. We anticipate filling the position at the Assistant Professor level, but applications at other levels will be considered; salary and rank are commensurate with qualifications and experience.

We seek outstanding theoretical and/or applied applicants in areas such as robotics and autonomous systems; aerospace systems; networked and embedded systems; MEMS; and bioinspired controls. Faculty with other related interests are welcome to apply. Faculty in this area have ample opportunities to collaborate with university programs such as the IGERT Program on Nonlinear Systems; the Cornell Theory Center; the Cornell Nanofabrication Facility; and the New Life Science Initiative, among many others.

The Sibley School, and the College of Engineering at Cornell embrace diversity and seek candidates who will create a climate that attracts students of all races, nationalities and genders. We strongly encourage women and underrepresented minorities to apply. Applicants should submit a curriculum vitae, a research statement, a teaching statement, and complete contact information for at least three references to:
